# Or Gamliel

+972-54-219-6784 | gamlielor99@gmail.com | US & Israeli citizen | LinkedIn | GitHub

3rd-year Computer Science and Neuroscience student at Ben Gurion University, with 3 semesters remaining. Completed the first four semesters alongside active IDF reserve duty. Brings strong logical thinking, a focus on efficiency, a big-picture mindset, high work ethic, and the cross-cultural adaptability that comes from living and working in the US, a semester abroad in Italy, and extensive travel through Central and South America.

## EDUCATION

**Ben Gurion University of the Negev · Beer Sheva, Israel** 2024 – Present

*B.Sc. Computer Science & Neuroscience (Dual Major) · GPA: 88.75 · Expected graduation: Summer 2027*

Semester abroad at the University of Milano-Bicocca, Milan, Italy (2025)

"Ostrovsky" High School (2014 – 2017) | Majored in Physics and Chemistry | GPA: 111

## RELEVANT COURSEWORK

Extended Introduction to CS, Data Structures, Design of Algorithms, Computational Models.
Studied abroad: Data and Computational Biology, Social Media Analytics.

## TECHNICAL SKILLS

Java, Python, Julia, Object Oriented Programming, NLP, Data and Network Analysis, API Integrations.

## PROJECTS

- Computational Biology – Metabolism | Developed a Julia-based computational analysis pipeline combining graph theory and optimization (Flux Balance Analysis) to study genome-scale metabolic networks (Recon3D), analyzing structural and functional roles of key metabolites.
- Alcohol in Social Media | Social media analytics pipeline analyzing alcohol discourse on Reddit. Uses Reddit API for data ingestion, graph-based modeling for user interactions, Louvain community detection, and NLP (spaCy + VADER) for topic and sentiment analysis.

## EXPERIENCE

**Service & Hospitality Roles · Israel & USA** 2017 – 2023

*Bartender, server, barista across venues in Ra'anana, Vail CO, and Killington VT*

- Worked two full ski seasons in the US (Vail, CO and Killington, VT) -- fast-paced, customer-facing resort environments with barista and server roles
- Held bartending and bar service roles in Ra'anana throughout high school and between periods of military service
- Operated rooms at an escape room venue in Ra'anana (2020) -- managed logistics and guided participants

## MILITARY SERVICE

**Israel Defense Forces · Combat Engineering Unit** Jul 2017 – Mar 2020

*Combat Soldier and Squad Commander · Honorably discharged as 1st Sergeant*

Selected for squad commander training after 1 year of service. Served 8 months leading an operational squad of 5–14 soldiers and another 8 months training a new squad of 10 soldiers. Demonstrated strong responsibility, adaptability, and decision-making under pressure.

## LANGUAGES

Hebrew — Native · English — fluent · Spanish — Intermediate · Italian — Basic

## ADDITIONAL

Salsa dancing, guitar, soccer, basketball, snowboarding, wall climbing, travel.
